AGENCY NAME CHANGE

The Statistical Reporting Service staff has been active during the past 3 years examining virtually every aspect of its work. One phase dealt with the Agency's identity within the agricultural and statistical communities. As a result of this study, the name of the Statistical Reporting Service has been changed to National Agricultural Statistics Service. This name more accurately reflects the purpose of the Agency, its broad agricultural focus, and the service aspect of its responsibility. In line with this change, the Agency's Crop Reporting Board has been renamed the Agricultural Statistics Board to better describe the scope of its output.

Requests for a subscription order form covering all available reports should be directed to Agricultural Statistics Board Publications, Room 5829-South Building, USDA, Washington, D.C. 20250 (Phone (202) 447-2021).

This report and other statistical, economic, marketing and news reports are available as soon as possible following release through USDA's EDI SERVICE. For more information, call or write: Russell Forte, (202) 447-5505, OGPA, USDA, Washington, D.C. 20250.
